

### **Mayank Kumar**

Delhi, India

Phone: 83681 79679

Email: mayanksose@gmail.com

Portfolio: <https://mayank-kumar-2008.github.io/Portfolio/>

### **Objective**

A curious, expressive, and design-minded CSE undergrad at DTU, blending clean frontend development with poetic creativity. Known for sharp observation, articulate expression, and a habit of turning even simple ideas into something thoughtful and aesthetic. Currently building a strong foundation in programming while exploring web design, digital forensics, and creative writing.

### **Education**

B.Tech in Computer Science & Engineering

Delhi Technological University (DTU)

### **Skills**

- HTML5
- CSS3
- Responsive Design
- C Language
- C++ (Basics)
- Git & GitHub
- Web Forensics
- Poetry & Scriptwriting

### **Projects**

**Portfolio Website** – A clean, responsive, personal portfolio showcasing skills, work, and writing.

**Photofolio** – A responsive masonry-based image gallery with lazy-loading and smooth transitions.

### **Additional Strengths**

- Strong communicator with a flair for expressive writing
- Observant, detail-oriented, and design-focused
- Creative thinker balanced with technical curiosity
